## The U.S. Government Requires Additional Passenger Information From Those Traveling Internationally

According to public law 107-173 & 107-71, prior to travel, it is mandatory that all information requested be provided & accurate for each air passenger, including children. Failure to comply with this federal requirement will result in obstruction and/or significant delays to travel plans.

Please mail or fax information to Kvamme Travel , 218-236-0160
